## Opening: Star Girl

Hey, I'm looking up for my star girl  
I guess I'm stuck in this mad world  
With things that I wanna say  
But you're a million miles away

And I was afraid when you kissed me  
On your intergalactical frisbee  
I wonder why, I wonder why  
You never asked me to stay

*[Chorus:]*

So wouldn't you like to come with me  
Surfin' the sun as it starts to rise  
Woah, your gravity's makin' me dizzy  
Girl I gotta tell ya,  
I'm feelin' much better  
Make a little love in the moonlight

Hey, there's nothing on Earth that could save us  
When I feel in love with Uranus  
I don't wanna give you away  
Cause it makes no sense at all

Houston we got a problem  
Ground control couldn't stop them  
I wonder why, I wonder why  
You never asked me to stay

*[Chorus:]*

So wouldn't you like to come with me  
Surfin' the sun as it starts to rise  
Woah, your gravity's makin' me dizzy  
Girl I gotta tell ya,  
I'm feelin' much better  
Make a little love in the moonlight

*[Bridge:]*

Fly away  
Watch the night turn into day  
Dance on the Milky Way  
Melt me with your eyes, my star girl rules the skies  
1,2,1,2,3,4

So wouldn't you like to come with me  
Go surfin' the sun as it starts to rise  
Yeah, wouldn't you like to come with me, (yeah)  
Girl I gotta tell ya,  
I'm feelin' much better  
I can't get enough of you  
Galaxy defenders  
Stay forever  
Never get enough of you

Hey!

## High School Musical

### We're all in this together

Together, together, together everyone  
Together, together, come on let's have some fun  
Together, were there for each other every time  
Together together come on lets do this right

Here and now it's time for celebration  
I finally figured it out (yeah yeah)  
That all our dreams have no limitations  
That's what it's all about

Everyone is special in their own way  
We make each other strong (each other strong)  
We're not the same  
We're different in a good way  
Together's where we belong

We're all in this together  
Once we know  
That we are  
We're all stars  
And we see that  
We're all in this together  
And it shows  
When we stand  
Hand in hand  
Make our dreams come true

Together, together, together everyone  
Together, together, come on let's have some fun  
Together, were there for each other every time  
Together together come on let's do this right

Wild cats everywhere  
Wave your hands up in the air  
That's the way we do it  
Let's get to it  
Come on everyone!

Shootin' for the stars

Ryan:

Baby to be number one

You've got to raise the bar

Sharpay:

Kickin' and a scratchin'

Grindin' out my best

Ryan:

Anything it takes  
To climb the ladder of success

Both:

Work our tails off every day  
Gotta bump the competition  
Blow them all away

Sharpay:

Yeah we're gonna

Both:

Bop, bop, bop  
Bop to the top

Ryan:

Slip and slide and ride that rhythm

Both:

Jump and hop hop 'til we drop

Sharpay:

And start again

Zip zap zop

Pop like a mop

Ryan:

Scoot around the corner

Both:

Move it to the groove  
'Til the music stops  
Do the bop bop, bop to the top  
Don't ever stop

Shake some booty and turn around

Flash a smile in their direction

Bop to the top

Ryan:

Wipe away your inhibitions

Going for the glory  
We'll keep stepping up  
And we just won't stop  
'Til we reach the top  
Bop to the top

### **Status Quo**

Zeke:  
You can bet  
There's nothin' but net  
When I am in a zone and on a roll  
But I've got a confession  
My own secret obsession  
And it's making me lose control

Jocks:  
Everybody gather 'round

Zeke(spoken):  
Well if Troy can tell his secret than I can tell mine...I bake

Jock(spoken):  
What?

Zeke(spoken):  
I love to bake! Strudels, scones, even apple pandowdy

Jocks:  
Not another sound

Zeke(spoken):  
Someday I hope to make the perfect creme brulee

Jocks:  
No, no, no, nooooooooooooo  
No, no, no  
Stick to the stuff you know  
If you wanna be cool  
Follow one simple rule  
Don't mess with the flow, no no  
Stick to the status quo

Martha Cox:  
Look at me  
And what do you see  
Intelligence beyond compare  
But inside I am stirring

Something strange is occurring  
It's a secret I need to share

Brainiacs:  
Open up, dig way down deep

Martha Cox(spoken):  
Hip hop is my passion! I love to pop and lock and jam and break!

Brainiac(spoken):  
Is that even legal?

Brainiacs:  
Not another peep

Martha(spoken):  
It's just dancing. Sometimes I think it's cooler than homework.

Brainiacs:  
No, no, no, nooooooooooooo  
No, no, no  
Stick to the stuff you know  
It is better by far  
To keep things as they are  
Don't mess with the flow, no no  
Stick to the status quo

Skaterdude:  
Listen well  
I'm ready to tell  
About a need that I cannot deny  
Dude, there's no explanation  
For this awesome sensation  
But I'm ready to let it fly

Dudes & Dudettes:  
Speak your mind and you'll be heard

Skaterdude(spoken):  
Alright, if Troy wants to be a singer... then i'm coming clean! I play the cello!

Dude 1(spoken):  
Awesome!

Dude 2(spoken):  
What is it?

Dude 1(spoken):  
A saw!

Skaterdude(spoken):  
No, dude, it's like a giant violin!

Dudes & Dudettes:  
Not another word

Dude 2(spoken):  
Do you have to wear a costume?

Skaterdude(spoken):  
Coat and tie

Dudes & Dudettes:  
No, no, no, nooooooooooooo  
No, no, no  
Stick to the stuff you know  
If you wanna be cool  
Follow one simple rule  
Don't mess with the flow, no no  
Stick to the status quooooooooo

No, no, no  
stick to the stuff you know  
It is better by far  
To keep things as they are  
Don't mess with the flow, no no  
Stick to the status quo

### **Breaking Free**

Troy:  
We're soarin', flyin'  
There's not a star in heaven  
That we can't reach

Gabriella:  
If we're trying  
So we're breaking free

Troy:  
You know the world can see us  
In a way that's different than who we are

Gabriella:  
Creating space between us  
'Til we're separate hearts

Both:  
But your faith it gives me strength  
Strength to believe

### Chorus #1

Troy:  
We're breakin' free

Gabriella:  
We're soarin'

Troy:

Flyin'

Both:

There's not a star in heaven  
That we can't reach

Troy:

If we're trying

Both:

Yeah, we're breaking free

Troy:

Oh, we're breakin' free  
Gabriella:  
Ohhhh  
Troy:  
Can you feel it building  
Like a wave the ocean just can't control  
Gabriella:  
Connected by a feeling  
Ohhh, in our very souls  
Both:  
Rising 'til it lifts us up  
So every one can see

#### Chorus #2

Troy: We're breakin' free  
Gabriella: We're soarin'  
Troy: Flyin'  
Both:  
There's not a star in heaven  
That we can't reach  
Troy:  
If we're trying  
Yeah we're breaking free  
Gabriella:  
Ohhhh runnin'  
Troy:  
Climbin'  
To get to that place  
Both:  
To be all that we can be  
Troy:  
Now's the time  
Both:  
So we're breaking free  
Troy:  
We're breaking free  
Gabriella:  
Ohhh , yeah

Troy:  
More than hope  
More than faith  
Gabriella:  
This is true  
This is fate  
And together

Both:  
We see it comin'  
Troy:  
More than you  
More than me

Gabriella:  
Not a want, but a need  
Both:  
Both of us breakin' free

Chorus #3  
Gabriella: Soarin'  
Troy: Flyin'  
Both:  
There's not a star in heaven  
That we can't reach  
If we're trying  
Troy: Yeah we're breaking free  
Gabriella:  
Breaking free

## Finale

### Rule the World

You light the skies, up above me  
A star, so bright, you blind me, yeah  
Don't close your eyes  
Don't fade away, don't fade away-

Oh  
Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world-  
Yeah you and me we can light up the sky  
If you stay by my side  
We can rule the world-

If walls break down, I will comfort you  
If angels cry, oh I'll be there for you  
You've saved my soul  
Don't leave me now, don't leave me now

Oh  
Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world  
Yeah you and me, we can light up the sky  
If you stay by my side  
We can rule the world-

Ooooooooooh  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you-

Ooooooooooh  
Yeah you and me we can ride on a star  
If you stay with me girl  
We can rule the world  
Yeah you and me, we can light up the sky  
If you stay by my side  
We can rule the world

## **All Star**

Somebody once told me the world is gonna roll me  
I ain't the sharpest tool in the shed  
She was looking kind of dumb with her finger and her thumb  
In the shape of an "L" on her forehead

Well the years start coming and they don't stop coming  
Fed to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb

So much to do so much to see  
So what's wrong with taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now you're an All Star get your game on, go play  
Hey now you're a Rock Star get the show on get paid  
And all that glitters is gold  
Only shooting stars break the mold

Somebody once asked could I spare some change for gas  
I need to get myself away from this place  
I said yep what a concept  
I could use a little fuel myself  
And we could all use a little change  
Well the years start coming and they don't stop coming  
Fed to the rules and I hit the ground running  
Didn't make sense not to live for fun  
Your brain gets smart but your head gets dumb  
So much to do so much to see  
So what's wrong with taking the back streets  
You'll never know if you don't go  
You'll never shine if you don't glow

Hey now you're an All Star get your game on, go play  
Hey now you're a Rock Star get the show on get paid  
And all that glitters is gold  
Only shooting stars break the mold

And all that glitters is gold  
Only shooting stars break the mold

## **These are the times**

These are the times we shall dream about and we'll call them the good old days, when the years have gone away we shall dream of, the times we had, the songs we used to sing. So while we're together, let us stop out the weather, and whatever the gods may bring. When all our youth is but memories and the years bring partings on the way, then believe me fellows, these are the times we shall dream about, and we'll call them the good old days.
