

Stand by me/beautiful girls

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

so darlin', darlin', stand by me, oh stand by me
oh, stand, Stand by me, stand by me

You're way too beautiful girl
That's why it'll never work
You'll have me suicidal, suicidal
When you say it's over

Damn all these beautiful girls
They only wanna do your dirt
They'll have you suicidal, suicidal
When they say it's over

Now we're fussin'
And now we're fightin'
Please tell me why
I'm feelin' slightin'
And I don't know
How to make it better (make it better)
